

The diagram shows a white rectangular area representing a document, centered within a larger orange frame. The orange frame has a decorative, wavy border. Inside the white area, there is a gray rectangular region representing the 'Area under the cut' (Область под обрез). This gray region is surrounded by a white margin. A red rectangular line, representing the 'Cut line' (Линия реза), is drawn around the gray region. The text 'Размер документа' (Document size) and '3.8 cm (width) x 4.9 cm (height)' is located in the top left corner of the white area. The text 'Размер изделия, после высадки' (Product size after cutting) and '3.4 cm (width) x 4.5 cm (height)' is located in the top left corner of the gray region. The text 'Область под обрез' (Area under the cut) is located in the top left corner of the gray region. The text 'Линия реза' (Cut line) is located in the top left corner of the white margin. The text 'Поле, на которое не должны заходить любые важные объекты макета: ваши фото/лого и текст.' (Field, into which no important layout objects should enter: your photos/logo and text.) is located in the top left corner of the white margin.
